

IIM alumni contribute Rs 3.24cr

**SUBHANKAR
CHOWDHURY**

Joka: A batch of former students of IIM Calcutta has contributed Rs 3.24 crore, which will be used to create a chair professorship and develop hybrid classrooms.

The amount was raised by the class of 1992.

The PGPEX classroom L-52 in the New Academic Block has been renamed CLASS of 1992 — 27 FOREVER Seminar Hall in recognition of contribution during a ceremony on Monday.

Director-in-charge Subir Bhattacharya attended the event.

An official of the institute said interest earned from the contribution would go into developing technological infrastructure, including hybrid classrooms. In hybrid classes, lectures are live-streamed for some students, while others attend them in person.
