

IIM Calcutta completes 100% summer internship placements; Accenture top recruiter with 21 offers

30 November, 2020, The Economic Times, English Edition

The Institute revamped its placement structure to comprise three clusters scheduled on November 23, 26, and 28.

Indian Institute of Management Calcutta (**IIMC**) has completed 100% Summer Internship Placements for its Class of 2022 in virtual mode.

The Institute revamped its placement structure to comprise three clusters scheduled on November 23, 26, and 28. 139 firms participated in the placement process, of which 43 were first time

recruiters to **IIM Calcutta**, for 473 participating students.

Consulting, Finance, and BFSI accounted for 40% of offers, 32% of students would do their internships in General Management and Sales & Marketing roles, and the remaining 28% in Operations, Product Management, E-Commerce, and Startups.

Consulting, Finance, and BFSI accounted for 40% of offers, 32% of students would do their internships in General Management and Sales & Marketing roles, and the remaining 28% in Operations, Product Management, E-Commerce, and Startups.

Cluster 1 consisted of five cohorts which included top firms in Private Equity, Investments, Venture Capital firms, Management Consulting, and offers at international locations. 180 students were placed across 35 firms in the cluster, **Accenture** being the top recruiter with 21 offers.

The second cluster (November 26) hosted 60 firms offering 80 roles in Conglomerates, FMCG, Consumer Services, Software Services, E-Commerce, and Consumer Durables cohorts. 171 students got placed in the cluster with Microsoft making 11 offers.

The third cluster placements were held on November 28, with 44 firms across Advertising, BFSI, Consulting Services, Power and Utilities, Manufacturing, Hospitality Services, Food Aggregators, and **Start-Up cohorts**. 122 students got placed in this cluster.
