## *Glimpses into the MBAEx Life*

**The Startup Garage** was an immersive experience designed to provide real-world exposure to entrepreneurship. The Class of 2025 worked overnight in a lock-down environment, brainstorming and refining their startup ideas, engaging in investor simulations, gaining insights from expert mentors, and delivering final pitches to a distinguished jury of industry leaders.

Interactions with industry leaders are a cornerstone of the MBAEx programme. Through signature initiatives such as **She Ascends**, **Leadership Talks**, and the **CEO Series**, renowned industry leaders address the cohort, offering firsthand perspectives on overcoming challenges, seizing opportunities, and driving transformative change in the business world.

Leadership talk with **Mrs Sunaina Kaul**
